Amreen Sultana

Java Full Stack Developer

I'm Amreen Sultana, born and brought up in Hyderabad. During my academics, I have learned many technical skills and Languages such as Java, Html, CSS, Python and many more. I'm an enthusiastic engineer, curious to learn new technology and I'm flexible to take challenges as an opportunity, work well in a team as well as efficiently on my own. I'm looking to commence my career in an organization where I can flourish myself for the growth of the company by applying my knowledge and skills.

SKILLS

SQL CSS Java HTML

MySQL Python Angular

Bootstrap JavaScript

Spring MVC Spring Boot

Problem Solver

Analytical Thinking

AWS-Cloud Essentials

EDUCATION

BE - CSE

OU/Deccan College Of Engineering And Technology
Hyderabad

Courses

◇ Specialised in Computer Science Engineering

07/2018 - 06/2022

INTERMEDIATE - MPC

TSBIE/Gowtham Junior College
Hyderabad

Courses

◇ Core subjects are Mathematics, Physics, Chemistry.

06/2016 - 04/2018

SSC - Regular

SSC/Sun Shine High School
Hyderabad

Courses

◇ Academic topper

06/2006 - 05/2016

ACADEMIC PROJECTS

- ◇ Securing Hospital data using Secure Networking Architecture (SecNet) and Smart Work Algorithm
- ◇ In which we use SecNet integrating two key components, Blockchain-based sharing data with ownership and AI based smart work algorithm for computing data and producing intelligent and dynamic security rules for securing data using the nodes called Private Data Centers. Each node contains a blockchain ledger to sync state with other nodes. In terms of data, SecNet nodes are equipped with a data storage module and access control module for data security.
- ◇ Food Delivery System
- ◇ In Food Delivery System customer browse the menu, and place the order. We use Spring boot as backend. Html, css, angular as frontend and mysql as database

CERTIFICATION

- ◇ TASK - GIF Certified Junior Full Stack Developer
- ◇ Certifications in Java, SQL, Html, CSS, JavaScript, Bash Scripting, Git and GitHub
- ◇ Internshala - Web Development Certificate

LANGUAGE KNOWN

- ◇ English - Excellence proficiency in reading, writing, and speaking.
- ◇ Hindi - Good proficiency in reading, writing, and speaking.
- ◇ Urdu - Good proficiency in reading, writing and speaking.
